JOB DESCRIPTION

As an **optometry** examiner, professional responsibilities will be limited to conducting eye exams and completing applicable disability benefits questionnaires (DBQs). DBQs collect necessary information so the VA may process veterans' disability claims.

This position pairs well with other professional and personal commitments.

DEGREE & LICENSE REQUIREMENTS

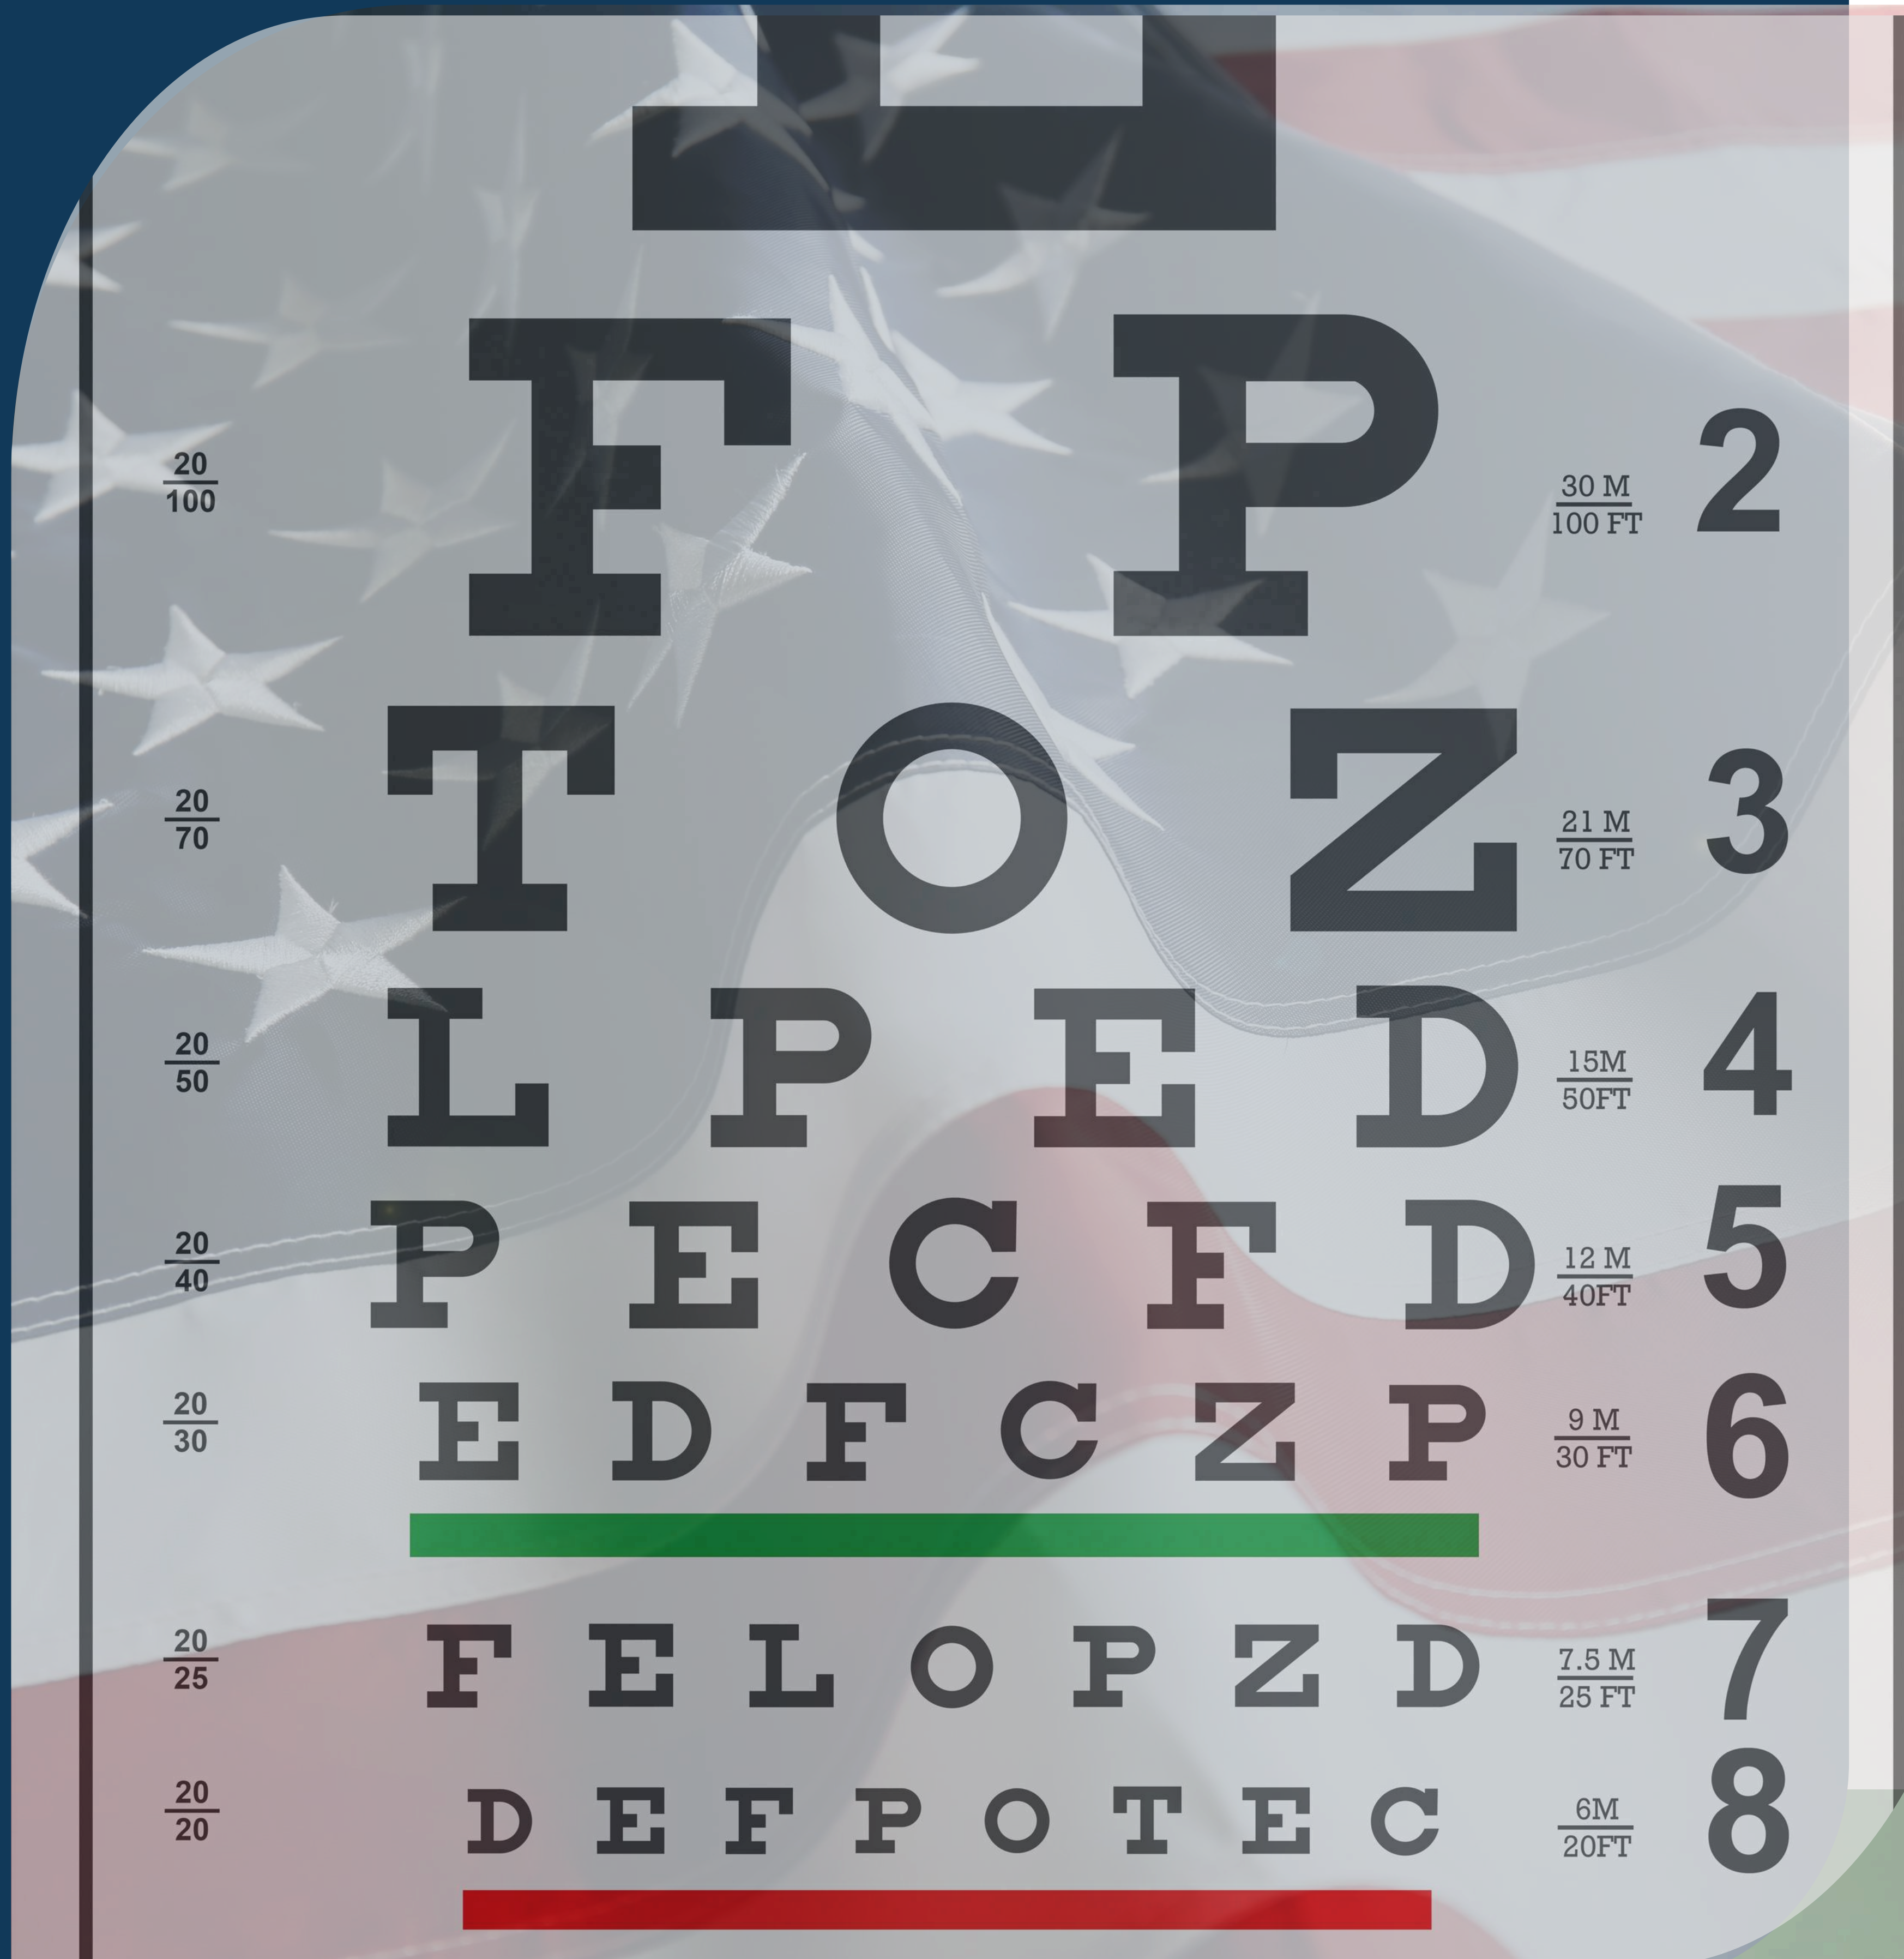

- **OPTOMETRIST** degree from a college or university accredited by either the Accreditation Council on Optometric Education (ACOM) or completion of medical school with residency in ophthalmology.
- Active state license in good standing

WHAT WE OFFER

- W2 or 1099
- Flexible schedule
- Professional liability insurance
- Comprehensive admin support with company provided computer
- Simple IRA with employer matching
 - *Eligible for matching after 1st full year of employment
- QSEHRA & Colonial Life Gap Insurance
 - *Eligible day one for full time providers (24 hrs/week)

ABOUT US

Carolina Health and Hearing is a veteran-co-owned organization with 13 locations and over 50 providers. We're expanding our veteran-focused services to include **Optometry** and are seeking compassionate, credentialed providers who are ready to make a meaningful impact by delivering comprehensive care to our nation's honored veterans.
